

## PRESSEMEDDELELSE

### **"Objects of Light" - Contemporary European Silver** 7. maj – 29. august 2010

I forbindelse med den 8. samling af Europæiske Sølvsmede

#### **'The Hammerclub'**

vises en international udstilling med 106 arbejder af 70 sølvsmede fra 14 lande verden over.

Det er blevet en tradition ved disse samlinger bredt at invitere sølvsmede og deres elever til at deltage i en *Hammerclub* udstilling. I 2002 blev det første *Hammerclub* møde holdt i Hamburg som forum ikke kun for sølvsmede, men tillige for samlere, gallerier, museer, fagfolk, studerende – alle med interesse for professionelt sølvsmedehåndværk og design. *Hammerclub* holdes for at bringe sølvsmedenes arbejder frem i offentlighedens søgelys, og for at give alle muligheden for at mødes, udveksle ideer, muligheder, melde nyt, m.m. I forbindelse med samlingen og udstillingen udgives et katalog, der dokumenterer værkerne og begivenheden.

*Hammerclub* holdes årligt den 2. weekend i maj. Tidligere samlinger er holdt i Hamburg, Berlin, Kolding, Nürnberg, Chemnitz, 's-Hertogenbosch og Würzburg.

Arrangører: Allan Scharff, Lasse Bæhring og Carsten From Andersen.

-----

*On the occasion of the 8th Reunion of European Silversmiths: The Hammerclub. The exhibition shows 106 works by 70 silversmiths from 14 countries.*

*It has become a tradition to invite all silversmiths and their students to hand in works for an annual exhibition. The first Hammerclub gathering was held in Hamburg in 2002. It is a forum, not only for silversmiths, but also for collectors, galleries, museums, craftspeople, students and anybody with an interest in the art and craft of the silversmiths.*

*The main point of the Hammerclub is to bring attention to the work and works of the silversmiths. And furthermore to provide a common forum in which to meet and inspire each other, exchange ideas and share the*
